---

**Thursday, September 19**

- 7:30-8:15 a.m.                    **Registration & Continental Breakfast**
- 8:15 - 10:15 a.m.                **Presentation of State Updates**  
President Crystal Puderbaugh welcomes attendees and each state is invited to present updates on new initiatives and operations within their organization.
- 10:30 a.m. - 12:00 p.m.        **Playing Chicken, Who Goes First?**  
How do regulators define their role within the triad? Do you rely on accreditation for quality assurance or not and how do you manage that strategy? Do you have financial stability indicators that are more current than USDOE's data? When do you call the accreditor or USDOE and who should you be contacting? A panel discussion will guide attendees through these questions and audience participation and examples are encouraged.
- 12:00 - 1:00 p.m.                **Regulator Luncheon**
- 1:00 - 3:00 p.m.                **Listserv LIVE!**  
Live from Minneapolis, it's Listserv LIVE! This session will feature an interactive discussion of the issues and challenges state regulators face. Discussions will focus on the changing federal definition of accreditation, tuition recovery funds and surety bonds, school ownership changes and schools affiliated with holding companies or

investment groups, with time available for an open forum to discuss additional matters of interest.

3:00 - 3:30 p.m. **Break**

3:30 - 4:15 p.m. **NASASPS Committee Updates**
