Q&A on UK's Planning

Roundtable Discussion:
Identifying Licensure Programs

- How do you identify "professional licensure programs" at your institution?
  - Initial licensure vs post licensure
  - Certificate programs (GC, or Ext Cert.)
  - National credential
  - "Designed" or "Advertised"
  - Field is not regulated in home state
  - ...

Roundtable Discussion: Program Inventory

- What kind of licensure programs at your institution will undergo location screening and attestation for PPA Certification purposes?

    For example, all licensure programs, only fully online licensure programs, or any licensure programs offering one or more DE courses...etc.

Roundtable Discussion: Location Screening

- How does your institution plan to screen first-term location of study?

- How are you handling DE licensure programs housed in external application forms?

- How are you handling Pre-licensure programs (e.g., pre-Nursing)?

- How are you handling Teacher Education Programs (TEP)?

Roundtable Discussion: Attestation

- How is your attestation process designed to meet the requirements?

- What are the key elements of your Attestation template?

Roundtable Discussion: Disclosure

- Public Disclosure
  - Which licensure programs (e.g., all, DE licensure programs only, etc.)?
  - licensure statuses?

- Direct Disclosure
  - Which licensure programs (e.g., all, DE licensure programs only, etc.)?
  - Process automated?
