Program Demand

- 75% of current community college leaders plan to retire in the next 10 years
- In the last 17 months over 230 presidents have transitioned out of the presidency
- Similar turnover will be experienced among senior administrators and faculty on our campuses (Bumphus 2012)

Community College Leadership Program

- Recognized Leaders & Faculty
- Innovative Curriculum
- Cohort Model
- Network of Regional/National Leaders, Quality Faculty, and Alumni

Curriculum

- Cohort model: 22-25 aspiring community college leaders working as a team
- Asynchronous and synchronous instruction
- Class projects reflect students' interests and the needs of their college
- A local Cohort Coordinator provides support and facilitates student progress
